Adam joined the team at Shade Tree Auto in 2016 and quickly became an invaluable employee. His hard work and dedication helped earn the shop a number of national and international recognitions. BUCK BAUMAN MEMORIAL SCHOLARSHIP

The Buck Bauman Memorial Scholarship is meant to help any student pursuing further education in any field of agriculture. Buck graduated from Grimes High School in 1956. He grew up on his family farm just East of Grimes. Farming was his heritage, going back several generations. He also worked at John Deere in Ankeny making cotton pickers. He had a love for farming and, in 1976, realized his dream of owning his own farm, located in Madison County, Iowa. He passed away in 1994, and his daughter, Elizabeth, established this scholarship in his honor in 2018. Iowa farms are feeding the world, and Buck would definitely want to support those seeking to keep the Iowa farming traditions alive.

BURGER ENTREPRENEURIAL SCHOLARSHIP

The Burger Entrepreneurial Scholarship is given each year by the Burger family of Grimes to help a student that may not have the financial resources but has the entrepreneurial spirit that is needed to succeed. The path of the family started back in high school, with Ryan's self employment. He has been successfully self-employed for 30+ years and just made the transition into teaching the business leaders of tomorrow in 2019. And while money doesn't solve all problems, going into debt with your education often only adds to the problems they will encounter when they move into the workplace several years from now. This scholarship isn't anything that will set them up for the future, but it's a little push that will hopefully make a difference.

JACOB NOCKELS MEMORIAL SCHOLARSHIP

The Jacob Nockels Memorial Scholarship was given anonymously by someone who loved Jacob very much! Anyone who knew Jacob realized quickly that he had the biggest heart ever. Jacob was so kind, compassionate, soft hearted, funny, helpful and so loving. His smile could light up a room. Jacob had more LOVE in his heart than most people get in a lifetime! We are so grateful for the 21 years we shared together! Jacob graduated DCG in 2011 along with his twin sister, Jenna. They both attended ISU and were in the design program. They are both amazing artists! Unfortunately, Jacob was struggling with situational depression. He was dealing with lots of disappointments. He masked his pain while continuing to smile and helping others around him. After a year of struggling to pick up the pieces of a failed relationship, loss of self esteem, trying to find love again, and trying to find his purpose in life, Jacob lost his battle and died by suicide at ISU in January of 2014. When choosing a recipient for this award we look for someone with compassion, who is always helping others, shows they are good hearted and tries to make life better for others, just like Jacob did. We look for someone who may not be in every activity & sport or have the highest GPA, but someone who is kind to those who love and compassion, who reaches out to the ones that need it the most.
