Non-Profit Education Foundation Formed to Help Community

Dallas Center, IA; Grimes, IA - The Dallas Center-Grimes Education Foundation has been formed as a new 501(c)3 non-profit organization, available for charitable giving. This non-profit organization was created to provide funding for educational opportunities to students, staff, faculty, or residents of the Dallas Center-Grimes School District.

Through gifts, grants and endowment funds, charitable-minded individuals can donate funds to build a source of charitable assets to meet the short and long term educational needs of Dallas Center-Grimes students, staff, faculty, and community residents, beginning in the 2015-2016 school year. All financial contributions are fully tax-deductible.

"We are honored to be a part of this new organization as we develop a way for students to apply for and be awarded funding for scholarships and additional educational needs," Gary Wilson, current DCG Education Foundation Board President said. "The founding members of this organization have provided expertise in various ways and we look forward to helping the community and our residents succeed in their future educational endeavors."

The founding members of the foundation include: Aaron Chittenden, Allison Howard, Chuck Fagen, Craig Patterson, Daniel Willrich, Dusty Rauschenberg, Gary Wilson, John Thomas, Ken Shepherd, Kim Jacobsen and Renee Schneider. All members reside in the Dallas Center-Grimes Community School District.
